

USING THE BEANSTACK APP

CHASE YOUR TALE WITH BEANSTACK

What is Beanstack?

Beanstack is the website and mobile application that is used for logging your child's reading and activities during **SummerQuest**. From this site, you can track your books and time spent reading, activities you've accomplished, and the **GO York!** tails you've visited.

Beanstack

Why should I use Beanstack?

GO York! is digital! While you still have your physical rubbing sheets and booklets, we will be tracking everyone's progress digitally through Beanstack, including our drawings for the five grand prize winners.

What if I don't have a phone or computer to log my tails?

That is perfectly fine! Call or visit any **York County Library**, and a staff member can log the tail for you. Just have your rubbing sheet nearby so that staff can verify the tail for you!
